TEXT OF SUPERINTENDENT'S REPORT

Department of Insurance Canada
Ottawa
November 4, 1982

To the Honourable Paul Cosgrove,
Minister of State (Finance),
Ottawa.

Sir:

The text of my report is divided into three parts. The first deals with the registration of property and casualty insurance companies. The second part summarizes certain facts and figures of the property and casualty business transacted in 1981. The last part of the text deals with general matters affecting property and casualty insurers registered to transact business in Canada.

REGISTRATION OF PROPERTY AND CASUALTY INSURANCE COMPANIES, 1981

At the end of 1981 there were 243 property and casualty insurance companies registered with the Department of Insurance. The following table shows the distribution of companies by nationality with comparative figures for 1980 in parentheses.

	Canadian	British	Foreign	Total
Property and Casualty.....	101 (100)	22 (24)	120 (121)	243 (245)

LETTERS PATENT ISSUED UNDER THE CANADIAN AND BRITISH INSURANCE COMPANIES ACT

The amendments to the Canadian and British Insurance Companies Act, effective March 12, 1970, enabled the use of letters patent as an alternative to the Special Act procedure for the incorporation of new Canadian insurance companies and for changes in the charters of existing Canadian insurance companies and fraternal benefit societies. During the year, an additional twenty-two sets of letters patent have been issued: Three new insurance companies were incorporated, and revisions to the charters of nineteen insurance companies were made.

Property and Casualty Insurance in Canada

During the year net property and casualty premiums written in Canada by registered companies amounted to $5,362 million, net premiums earned amounted to $5,008 million and net claims incurred amounted to $4,110 million. Canadian property and casualty companies were not required to report in 1981, separate figures for their out of Canada business if the gross or net premiums for such business accounted for less than 10% of their total gross or net premiums. As a result, the figures on this page, as "in Canada" include a small amount of out of Canada business. However, the effect on the industry aggregates is not significant. These figures exclude marine insurance and are the net amounts after deducting all reinsurance.

The following table shows figures for the last three years:

	1979	1980	1981
	$'000	$'000	$'000
Net premiums written	5,628,097	6,263,525	5,362,089
Net premiums earned	5,468,099	6,074,072	5,007,647
Net claims incurred	4,090,323	4,832,493	4,109,842

It should be noted that prior to 1981 the accident and sickness business transacted by life insurance companies and those companies transacting only accident and sickness insurance was included in this Report. As of 1981 this business is included in the Report of the Superintendent of Insurance for Canada - Abstract of Statements of Life Insurance Companies and Fraternal Benefit Societies. This change was made because companies transacting accident and sickness insurance only and accident and sickness branches of life insurance companies now report their business in the annual statement form prescribed for life insurance companies.

The distribution of premiums written among Canadian, British and foreign companies for the last three years is shown in the following two tables. Marine insurance has been excluded in both tables.

Property and Casualty Insurance in Canada

The Department has continued the practice of collecting information about premiums written and claims incurred by companies operating under provincial jurisdiction only. The figures have kindly been furnished by these companies in response to a circular letter issued by the Department, and while replies have not been received from all of them, the omissions are not believed to be important. These figures have been incorporated in the following table to show the total property and casualty insurance in Canada. (Claims include adjustment expenses.)

Property and Casualty Insurance

General Remarks

Profitability of property and casualty companies continued to decline during 1981 as underwriting losses of all registered companies totalled $872 million, compared to underwriting losses of $513 million in 1980 and $176 million in 1979. Claims and general expenses as a percentage of earned premiums increased to 116.7% in 1981 from 111.1% in 1980. Investment income for 1981 amounted to $1,001 million, an increase of $254 million over the $747 million reported for the previous year. Net income for all registered companies in 1981 declined to $114 million from the $196 million reported in 1980. Net profits reported by Canadian companies were 6.6 per cent of invested capital (shareholder's equity) in 1981, compared to 6.9 per cent in 1980 and 13.2 per cent in 1979. British and foreign companies operating in Canada reported a net loss equal to 0.5 per cent of net premiums written in 1981 compared with a net gain equal to 5.1 per cent of net premiums written in 1980. The corresponding figures for Canadian incorporated companies were 3.2 per cent in 1981 and 3.6 per cent in 1980.

Automobile premiums amounted to $2.5 billion in 1981, an increase of $388 million over the previous year. Automobile premiums, as a per cent of total premiums, increased from 44.1 per cent in 1980 to 45.3 per cent in 1981. Premium volume for property insurance increased from $1.86 billion in 1980 to $2.15 billion in 1981. The overall claims ratio experienced in the industry (excluding marine business of British and foreign companies) increased to 81.8 per cent in 1981 from 75.7 per cent in 1980. The claims ratio for property insurance rose from 72.0 per cent in 1980 to 77.0 per cent in 1981, while that for automobile insurance increased from 84.4 per cent in 1980 to 91.0 per cent in 1981.

Net premiums written in Canada (excluding marine business of British and foreign companies) for 1981 totalled $5.40 billion, an increase of 12.1 per cent over the 1980 volume of $4.8 billion. Canadian incorporated companies decreased their share of the market slightly and accounted for 68.2 per cent of net premiums written by registered companies in 1981 compared with 68.4 per cent in 1980.

The experience in the industry has been unfavourable over the past 3 years. Unfavourable results have primarlily been brought about by the fact that claims and expenses have been rising at a faster rate than premium income. As a result, capital and surplus of Canadian companies increased by only 6.1 per cent in 1981, compared to an 8.6 per cent increase in liabilities. The total increase in capital and surplus between 1979 and 1981 was 12.7 per cent while the increase in liabilities was 22.5 per cent. Recent substantial premium increases have been effected in some lines of business. However, it is anticipated that once these increases have been reflected in operating results, capital and surplus margins will begin to be restored to levels closer to historical norms.

Cardinal Insurance Company

On February 19, 1982, pursuant to paragraph 103.2(2)(c) of the Canadian and British Insurance Companies Act, the Minister directed that the Superintendent take control of the assets of the company and limit its certificate of registry to the servicing of existing policies. Cardinal subsequently applied in the Federal Court of Appeal to have the Minister's decision set aside. This application was dismissed by that Court. Cardinal's application for leave to appeal the decision of the Federal Court of Appeal to the Supreme Court of Canada was also dismissed.

On July 30, 1982, the Supreme Court of Ontario, on application by the Attorney General for Canada, directed the Superintendent of Insurance to take control of the company and to wind it up pursuant to the provisions of the Winding-up Act. Cardinal's application for leave to appeal this winding-up order was dismissed. Pursuant to subsection 91.3(3) of the Canadian and British Insurance Companies Act, the Superintendent has appointed Price Waterhouse Limited as his agent to carry out the winding-up of Cardinal. Unless Cardinal is successful in pursuing litigation already commenced against its major reinsurer and the brokers responsible for arranging the reinsurance, it is unlikely that claims and unearned premium refunds will be paid in full. The report of the Superintendent for the year of business 1982 will provide additional details.

Pitts Insurance Company

On November 6, 1981, the Supreme Court of Ontario, on application by the Attorney General for Canada, directed the Superintendent of Insurance to take control of the company and to wind it up pursuant to the Winding-up Act. Pursuant to subsection 91.3(3) of the Canadian and British Insurance Companies Act, the Superintendent appointed The Clarkson Company Limited as his agent to carry out the winding-up of the company. As provided under the Winding-up Act, the statement of claimants and creditors was filed in the Department of Insurance on January 21, 1982. The winding-up of the company's affairs is proceeding in an orderly fashion. No disbursements have yet been made to policyholders or claimants, but it is expected that an interim disbursement to policyholders and claimants will be made during early 1983. The financial position of the company is such that it is expected that claims

and unearned premium refunds will not be paid in full. The report of the Superintendent for the year of business 1982 will provide additional details.

Strathcona General Insurance Company

As reported in last year's Superintendent's Report, the Supreme Court of Ontario, on application by the Attorney General for Canada, directed the Superintendent to take control of the Company for the purpose of its rehabilitation on March 17, 1981. The rehabilitation was made possible by a consortium of insurance brokers, insurance companies and other interested parties that came forward with an offer of financial and administrative assistance that would allow Strathcona General Insurance Company to meet its obligations to policyholders. Under the terms of the rehabilitation, the Northumberland General Insurance Company was appointed as agent of the Superintendent to administer an orderly run-off of Company business. The winding down of the Company's affairs is continuing to proceed in an orderly fashion. By October 31, 1982, a total of $34.9 million had been paid out to Strathcona policyholders and policy claimants, in respect of almost 9,000 claims. Approximately 550 claims are still outstanding, with a total reserve of just over $6 million.

Respectfully submitted,

R.M. Hammond
Superintendent of Insurance.

LETTRES PATENTES EMISES EN VERTU DE LA LOI SUR LES COMPAGNIES D'ASSURANCE CANADIENNES ET BRITANNIQUES

Les modifications apportées à la Loi sur les compagnies d'assurance canadiennes et britanniques, mises en vigueur le 12 mars 1970, ont permis l'utilisation de lettres patentes à la place de la procédure de la Loi spéciale lorsqu'il s'agit de constituer en société de nouvelles compagnies d'assurance canadiennes et de modifier les chartes des compagnies d'assurance et des sociétés de secours mutuels canadiennes existantes. Durant l'année, vingt-deux jeux de plus de lettres patentes ont été émis; trois nouvelles compagnies d'assurance ont été constituées en société et des révisions ont été apportées aux chartes de dix-neuf compagnies d'assurance.

Assurance de biens et de risques divers au Canada

Au cours de l'année, le montant net des primes d'assurance de biens et de risques divers souscrites au Canada par les compagnies enregistrées s'est élevé à 5,362 millions $; le montant net des primes gagnées, à 5,008 millions $; et le montant net des réclamations réalisées, à 4,110 millions $. En 1981, les compagnies canadiennes d'assurance de biens et de risques divers n'étaient pas tenues d'inscrire des chiffres distincts pour leurs affaires hors du Canada si les primes brutes ou nettes étaient moins de 10% de leurs primes totales brutes ou nettes. Conséquemment, les chiffres inscrits sur cette page sous la rubrique "Au Canada" comprennent un certain montant d'affaires hors du Canada. Toutefois, cette variation a peu d'importance si l'on considère l'ensemble de l'industrie. Ces chiffres, qui ne comprennent pas l'assurance maritime, représentent les montants nets après déduction de la réassurance.

Le tableau suivant donne les chiffres pour les trois dernières années:

	1979	1980	1981
	'000$	'000$	'000$
Primes souscrites nettes.....	5,628,097	6,263,525	5,362,089

Réclamations réalisées nettes.....	4,090,323	4,832,493	4,109,842

Il est à remarquer qu'avant 1981, l'assurance accident et maladie souscrite par les assureurs-vie et par les compagnies qui ne souscrivaient que ce genre d'assurance figurait dans ce rapport. Depuis 1981, ces opérations sont incluses au Rapport du surintendant des Assurances du Canada - Résumé des états financiers des assureurs-vie et des sociétés de secours mutuels. Cette modification découle du fait que les compagnies qui ne souscrivent que l'assurance accident et maladie et les secteurs des assureurs-vie souscrivant l'assurance accident et maladie utilisent le même formulaire annuel d'information qui est prescrit pour les assureurs-vie.

Les deux tableaux ci-après indiquent la répartition des primes souscrites entre les compagnies canadiennes, britanniques et étrangères pour les trois dernières années. L'assurance maritime est exclue des deux tableaux.

Assurance de biens et de risques divers au Canada

Le département a maintenu l'usage de recueillir des renseignements se rapportant aux primes souscrites et aux réclamations réalisées par les compagnies dont le fonctionnement relève uniquement de l'administration provinciale. Ces compagnies ont eu l'obligeance de fournir les chiffres en réponse à une lettre circulaire du département; des réponses n'ont pas été reçues de toutes les compagnies mais les omissions ne sont pas jugées importantes. Ces chiffres ont été incorporés au tableau suivant pour indiquer le total des assurances de biens et de risques divers en vigueur au Canada. (Les réclamations comprennent les frais de règlement.)

Assurance de biens et de risques divers

Observations générales

La rentabilité des compagnies d'assurance de biens et de risques divers a continué à diminuer au cours de 1981; en effet, les pertes d'exploitation de toutes les compagnies enregistrées ont atteint 872 millions $, comparativement à 513 millions $ en 1980 et 176 millions $ en 1979. La proportion des primes touchées représentée par les demandes d'indemnité et les frais généraux est passée de 111.1 % en 1980 à 116.7 % en 1981. Les revenus de placements pour 1981 se sont élevés à 1,001 millions $, soit une augmentation de 254 millions $ par rapport aux 747 millions $ inscrits pour l'exercice antérieur. Le revenu net de toutes les compagnies enregistrées est passé de 196 millions $ en 1980 à 114 millions $ en 1981. Les profits nets enregistrés par les compagnies canadiennes ont représenté 6.6 % du capital investi (participation des actionnaires) en 1981, comparativement à 6.9 % en 1980 et 13.2 % en 1979. Les compagnies britanniques et étrangères faisant affaires au Canada ont accusé une perte égale à 0.5% des primes nettes réalisées en 1981, comparativement à un gain net de 5.1% des souscriptions nettes en 1980. En ce qui concerne les compagnies canadiennes constituées en corporations, ces taux ont été de 3.2 % en 1981 et de 3.6 % en 1980.

Les primes d'assurance-automobile ont atteint 2.5 milliards $ en 1981, soit une augmentation de 388 millions $ par rapport à l'exercice précédent. La proportion des primes d'assurance-automobile par rapport à l'ensemble des primes est passée de 44.1 % en 1980 à 45.3 % en 1981. Le volume de primes d'assurance-biens est passé de 1.86 milliard $ en 1980 à 2.15 milliards $ en 1981. Le taux global de demande d'indemnité dans le secteur de l'industrie (à l'exception des opérations d'assurance maritime des compagnies britanniques et étrangères) est passé de 75.7 % en 1980 à 81.8 % en 1981. En ce qui a trait à l'assurance-biens, le taux de demandes d'indemnité est passé de 72 % en 1980 à 77 % en 1981. Pour ce qui est de l'assurance-automobile, ce taux est passé de 84.4 % en 1980 à 91 % en 1981.

Les souscriptions nettes au Canada en 1981 (à l'exception des opérations d'assurance maritime des compagnies britanniques et étrangères) ont atteint 5.40 milliards $, soit une augmentation de 12.1 % par rapport au volume de 4.8 milliards $ enregistré pour 1980. Les compagnies canadiennes constituées en corporation ont réduit légèrement leur part du marché et ont enregistré, en 1981, 68.2 % des souscriptions nettes des compagnies enregistrées, comparativement à 68.4 % en 1980.

Dans le secteur de l'industrie, la situation a été difficile au cours des trois dernières années, ceci principalement en raison du fait que les demandes d'indemnité et les dépenses ont augmenté à un rythme plus rapide que le revenu tiré des primes. Conséquemment, le capital et l'excédent des compagnies canadiennes n'ont augmenté que de 6.1 % en 1981, comparativement à leur passif qui, lui, a augmenté de 8.6 %. Entre 1979 et 1981, l'augmentation globale du capital et de l'excédent a été de 12.7 % et celle du passif, de 22.5 %. Certaines catégories d'assurance ont récemment augmenté substantiellement leurs primes. Lorsque ces augmentations seront reflétées dans les résultats d'exploitation, il est prévu que les marges de capital et d'excédent seront rétablies à des niveaux plus près de la norme historique.

La compagnie d'assurance Cardinal

Le 19 février 1982, conformément à l'alinéa 103.2 (2) (c) de la Loi sur les compagnies d'assurance canadiennes et britanniques, le Ministre a ordonné que le Surintendant prenne le contrôle de l'actif de la compagnie et limite les pouvoirs que lui confère son certificat d'enregistrement au maintien des polices en vigueur. La compagnie s'est adressé à la Cour fédérale d'appel pour faire annuler la décision du Ministre. Cette demande a été rejetée. La requête présentée par la compagnie d'en appeler de la décision de la Cour fédéral d'appel à la Cour Suprême du Canada a également été rejetée.

Le 30 juillet 1982, la Cour suprême de l'Ontario, à la demande du Procureur général du Canada, a ordonné au surintendant des Assurances de prendre le contrôle de la compagnie et de la liquider conformément aux dispositions de la Loi sur les liquidations. La demande présentée par la Cardinal en vue d'en appeler de cet ordre de liquidation a été rejetée. Conformément à l'alinéa 91.3 (3) de la Loi sur les compagnies d'assurance canadiennes et britanniques, le Surintendant a nommé la firme Price Waterhouse Limited à titre d'agent pour procéder à la liquidation de la compagnie Cardinal. A moins que la compagnie Cardinal gagne la poursuite qu'elle a intenté contre son principal réassureur et les courtiers qui ont arrangé la réassurance, il est peu probable que les demandes d'indemnité et les primes non touchées soient remboursées en entier. Le rapport du Surintendant pour l'exercice financier 1982 fournira plus de détails à ce sujet.

La compagnie d'assurance Pitts

Le 6 novembre 1981, la Cour surprême de l'Ontario, à la demande du Procureur général du Canada, a ordonné au surintendant des Assurances de prendre le contrôle de la compagnie et de la liquider conformément à la Loi sur les liquidations. Conformément à l'alinéa 91.3(3) de la Loi sur les compagnies d'assurance canadiennes et britanniques, le Surintendant a

nommé la firme Clarkson à titre d'agent pour procéder à la liquidation de la compagnie. Tel que prévu aux termes de la Loi sur les liquidations, la déclaration des sinistrés et des créanciers a été remplie et présentée au département des Assurances le 21 janvier 1982. La liquidation des affaires de la compagnie se déroule de façon méthodique. Aucun remboursement n'a encore été fait aux assurés ou aux sinistrés, mais l'on s'attend à ce qu'ils reçoivent un remboursement provisoire au cours des prochains mois. La situation financière de la compagnie est telle qu'il est à prévoir que les demandes d'indemnité et les primes non touchées ne seront pas remboursées en entier. Le rapport du Surintendant pour l'exercice financier 1982 fournira plus de détails à ce sujet.

La compagnie d'assurance générale Strathcona

Comme l'indiquait le rapport du Surintendant de l'année dernière, la Cour suprême de l'Ontario, à la demande du Procureur général du Canada, a ordonné au Surintendant de prendre le contrôle de la compagnie en vue de sa réhabilitation prévue pour le 17 mars 1981. Cette réhabilitation a été rendue possible grâce à un consortium de courtiers, de compagnies d'assurance et d'autres parties intéressées qui ont offert une aide financière et administrative qui permettrait à la Compagnie d'assurance générale Strathcona de remplir ses engagements envers ceux qui détiennent ses polices. En vertu de la réhabilitation, la Compagnie d'assurances générales Northumberland a été désignée comme agent du Surintendant pour mettre fin de façon méthodique aux affaires de la compagnie. La liquidation de la compagnie continue de s'effectuer dans l'ordre. Au 31 octobre 1982, une somme totale de 34.9 millions $ avait été versée aux assurés et sinistres pour un total de 9,000 réclamations. Environ 550 demandes de règlement demeurent en suspens et la réserve totale se situe à un peu plus de 6 millions $.

Respectueusement présenté,
Le surintendant des Assurances,
R.M. Hammond.
